Frankfort People Give Credit Where Credit is Due.

People of Frankfort who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Frankfort. Here's Frankfort testimony:

Mrs. Anna M. Kavanaugh, of 504 Main street, corner Todd, Frankfort, Ky., says: "I suffered from kidney trouble for several years and tried many different medicines in the hope of finding some relief for the intense suffering I endured across the small of my back, seemingly centered in my kidneys, and the thought that not even the slightest relief had been obtained made me about tired and badly discouraged in my effort to find help. At one time, when suffering from congestion of the kidneys, my condition was so bad that the doctors gave me up, saying there was no possible show of my recovery. However, I got better, and with the 3eETAOINLDR better, but continued to suffer with the dreadful misery in my back and with the kidney secretions which were most annoying and distressing. The splendid testimonials which I saw in the papers about Doan's Kidney Pills induced me to make one more effort. My grandson procured a box for me at J. W. Gayle's drug store, and to my most pleasant surprise they gave me immediate relief, and continuing their use found myself much improved in every way. I am grateful for the benefit I have received, and highly recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

REMARKABLE RESCUE.

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed for coughs and colds. 50c, and \$1.00 bottles at all druggists. Trial bottle free.

BIG CROWD ON EXCURSION TO CINCINNATI.

The excursion to Cincinnati, which was run over the F. & C. and Q. & C. Railways, on Sunday, had a very large crowd on board from this city. The cars were packed until standing room was at a premium.

Owing to the change in the time of leaving Cincinnati, on the return trip, having been changed to 6:10 p. m. instead of 8:30, the train reached home by good bedtime.

CHOATEVILLE.

Everything seems very lively at Choateville, in spite of the rainy weather.

Miss Julia Long has returned from a week's visit at her aunt's at Bailey's Mill.

Mr. Bud Tharp, who has been very ill, is improving very fast.

Mr. Victor Banta and Miss Lonnie Moore visited friends at Bailey's Mill Sunday.

Mr. Barry Pierce, who was in such haste to leave Mr. Jeff Peters', Sunday night, lost a fine patent leather slipper. Any one that finds it will be handsomely rewarded if they will return it to Mr. Peters' store.

There seemed to be quite a flourishing crowd at Mr. Gus Dean's Sunday night.

Mr. Harry Moore called on Miss Mammie Hulette last Sunday evening.

Mr. Jesse Hulette called on his best girl Sunday evening.

There will be a two week's meeting at Choateville, beginning Sunday night. Every one is cordially invited.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good! Hereafter for this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding
